

LUXURIOUS TWO BEDROOM HOUSES

We are excited to present this new project which is located in the Erenköy region of the Karpaz peninsula.

The project location is in the heart of natural surroundings and just a short walk away from the beautiful shores of the region.

Designed in fine detail, there are 47 apartments, all with a sea view, with 6 different types of housing options.

These particular semi-detached duplex houses provide a total living area of 136m², with a closed living area of 106m², a private rooftop terrace of 10m² with electricity, TV infrastructure. sink & cupboards and a private garden area of 20m², They comprise of two bedrooms, an open plan lounge/kitchen/diner with a fireplace in the living room made of Yellowstone and two BBQ areas, one in the garden & one on the rooftop terrace.

There is allocated parking for each property within the site which is accessible via two main entrances.

The landscaped communal gardens, specially adapted for the Mediterranean climate have been inspired by traditional Cypriot homes, utilizing rocks, woods and Yellowstone. which are all locally sourced and the green areas & pool are located centrally within the site.

There is an open shower in the garden for use before/after taking a dip in the pool/sea.

This project provides a great investment opportunity in Erenköy as the payment plans can be adapted to suit all budgets.
