

LUXURIOUS FOUR BEDROOM APARTMENTS - EXCITING NEW PROJECT

We are very proud to present this exciting new project being built in Iskele, Famagusta. This is an excellent opportunity to own a tangible asset in one of the fastest growing projects in North Cyprus. The apartment style residential complex is located just 500 meters from a sandy beach with it's beautiful landscape and breathing views. Perfectly located between golden sands of Long Beach and the historical sights of the region, this project combines every home comfort an apartment could provide with panoramic views across the dazzling waters of the Mediterranean. Each apartment offers a magnificent blend of contemporary living with a fully equipped kitchen that boasts a beautifully crafted design. This massive project provides lots of on site amenities such as: restaurants, cafes, a karaoke bar, 9 swimming pools, larger than average children's playground, a sports area, a kindergarten, a SPA/Turkish bath and indoor pools. The resort has a selection of studio, one, two, three and four bedroom apartments ready to move in while there are also several blocks of properties available to buy still under construction.
