

## THREE BEDROOM SPACIOUS APARTMENTS

Introducing a new development of three bedroom apartments in Doñankömy, Kyrenia. The project consists of four blocks of apartments, with only two apartments on each level therefore each apartment provides spacious living areas, internally the apartments have been architecturally designed to accommodate for comfortable family living with open plan living spaces, which is what makes this project unique. Each apartment boasts an entrance hallway leading on to an American style open plan lounge, kitchen and diner, there is a large L-shaped balcony which wraps around the length of the lounge, kitchen and dining area and is accessible from either side. The corridor leads to the three bedrooms, the master bedroom features an en-suite, a walk in wardrobe and a private balcony, there is also a family shower wc. The second floor apartments boast a private roof top terrace. Ground Floor: £220,000 1st Floor: £240,000 2nd Floor: £280,000 &nbsp; &nbsp; &nbsp;
