

TWO BEDROOM SEMI-DETACHED HOUSES

Only 500 meters from the sea and surrounded by greenery, this is a new Project in Lapta, west of Kyrenia. There are two types of apartments: the ones on the ground floor have gardens and the upper floor apartments have rooftop terraces. They consist of an equipped kitchen, bedrooms with laminate flooring, bathroom and kitchen with natural marble granite stone and heated floors. Decorative suspended ceilings come with LED lighting, there is electric water drainage system on the terraces and a huge communal swimming pool. Call us today to take your place in this project.
