

BRAND NEW LUXURIOUS PROJECT

This exciting new project of 41 luxury villas is currently being constructed on the mountain slopes of Bahçelievler, east Kyrenia and boasts breathtaking sea views. Each villa has two floors and either two or three bedrooms. Luxury and privacy is the highest priority and this project perfectly combines those aspects in order to create your dream home. The ground floor of these villas comprises of an open plan kitchen/lounge/diner with beautiful views through the panoramic windows, a guest wc and the top floor comprises of two en-suite bedrooms (master with walk-in wardrobe). This project also offers three types of furniture packages for an extra fee that includes furnitures, white goods and crockery/cutlery. Site features include: 24/7 security system, generator, digital entrance with keycards, running path, bar and a snack bar.
