

4 BEDROOM ULTRA LUXURY VILLAS

We are excited to present this spectacular property that comprises of four bedrooms(1 on the ground floor), an open plan kitchen/diner and lounge with access to a private garden and a private pool that measures 10m x 5m . The property has a total of 5 bathrooms (4 en-suite).

The villas measure between 344m² and 413m² of living area and are being built on 600m² plots with beautifully landscaped gardens, The villas also feature energy generating solar panels and a VRF system.

The villas are only a 10 minutes drive from Kyrenia town centre and are within 5 minutes proximity from private schools, hospitals, the ring road, restaurants, hotels, beaches and an abundance of other local amenities.

There are 3 types of four bedroom villas with different floor plans and one five bedroom special triplex villa.

Completion is due December 2024.

****VIEWING & RESERVE HIGHLY RECOMMENDED****
