

ONE BEDROOM LUXURY GOLF LOFT APARTMENT (HOTEL CONCEPT PROJECT)

Perfect for the golf enthusiast. This development sits 100m away from a new golf course under construction and 800 metres from the well established international standard Korineum Golf Course. Set in semi rural surroundings but only a 5 minute drive to Esentepe village and its' facilities, 10 minutes to Esentepe sandy beach and 30 minutes from the hustle and bustle of Kyrenia city centre. Ercan airport is only a 40 minute drive. These one bedroom loft apartments offer living space of 52m² enclosed and a 10m² terrace area. The site will have many facilities to include restaurant, bar, and gym. The purchase of a property on this development will entitle the owner to use all of the construction companies other facilities, at other locations. This is a great opportunity to own and use an apartment next to a golf club at such a reasonable price or as a fantastic rental income investment. The development will be operated as a HOTEL CONCEPT operation, so the potential for making above average returns on investment is quite exceptional. Construction of this project commences in June 2024, with completion due December 2026. There are 96 apartments in total to include studios, loft and penthouse apartments. The project is located on the seaside just outside of Esentepe village. The international Korineum Golf course is a literal 5 minute drive away. The facilities will include outdoor pools, gym, sauna, restaurant and bar.
