

FOUR BEDROOM VILLA HAS A PANORAMIC VIEW

Introducing a remarkable double fronted family residence positioned beneath the mountains, boasting spectacular sea and mountain views, encompassing 2,550m² of private gardens boasting a variety of fruit trees, a private pool, a pool bar, and a pool house. A great property, perfect to accommodate all the family, measuring over 300m², with four en-suite bedrooms. As you enter this spectacular home you are greeted into a large hallway with a beautiful spiral staircase, there is a large principal suite featuring a fireplace, a separate large kitchen / diner with access to the patio and pool area. The ground floor also boasts a spacious en-suite bedroom. The upper level has terracing all around and boasts a further three en-suite bedrooms, all bedrooms are a substantial size each with great views. The villa also has a generator which is a practical solution for power cuts (testing of generator is required).
