

BRAND NEW LUXURIOUS APARTMENTS

We are pleased to present these luxurious and spacious apartments close to Iskele beach, Northern Cyprus. Designed by one of the best construction companies on the island, this modern residential complex, which covers an area of over 6400 m², offers a wide range of apartments with breathtaking sea views. Located only 450 meters from the popular Long Beach, this is a great place to live or for use as a holiday home. This 10-storey tower of luxurious living embodies a waterfront dream brought to life. Residents can choose from an array of spacious one and two bedroom apartments, each designed to embrace the splendour and extravagance that a seafront lifestyle has to offer. Facilities on the site include indoor/outdoor pools, including one on the roof, infinity pool, sauna, gym, lobby, reception, maintenance office, kids playground, VRF system, central generator and satellite and a shuttle service. Payment plans and design packages are available, please contact us for more detail.
