

2 BEDROOM DUPLEX PENTHOUSES ON RESORT COMPLEX

We are proud to announce the launch of this new project in Esentepe, a mountainside project to be constructed amongst nine other resorts within the same development offering a combination of apartments, villas & bungalows. The project offers many onsite facilities such as a communal Pool, gymnasium, restaurant, beach bar, tennis court, landscaped botanical gardens and is ideally located only 1km from Korineum Golf Course 5 minutes from a local supermarket, the development also has shuttle service to the Korineum Golf Course and the local supermarket. There are a total of six, two bedroom penthouse loft apartment units available each offering 90m² of living area, includes integrated silver goods package and a central cooling and heating system. The development will be constructed to ensure each unit has sea views and leads on to the communal sandy salt water swimming pool. Flexible payment plans available! Completion 2025
